PulseMarket — AI Marketing Platform

ENTRY TIER

$59 / mo member

Your digital foundation. Start building your online presence from day one.

PulseMarketis the entry-level AI marketing platform for insurance agents who are serious about getting online — without spending hours doing it. It automates your content, captures leads, and gives you the analytics to see what's working.

SOLVES:

Agents who just got licensed have zero web presence and no time to build one.

IDEAL FOR:

New agents, part-time reps, anyone starting their online presence

30	3	$79
AI posts/mo	Landing pages	Retail price

WHAT YOU GET

- **3 AI-generated landing pages** — ready to convert visitors
- **30 social media posts per month** — written and scheduled by AI
- **Lead capture forms** — every lead flows into your dashboard
- **Click-to-call button** — prospects call you directly from the page
- **Analytics dashboard** — see traffic, leads, and conversion rates

PulseFlow — AI Marketing Platform

GROWTH TIER

$129 / mo member

Scale your content engine and start converting leads into clients.

PulseFlow steps up your marketing game with email campaigns, blog articles, and more landing pages — all AI-generated around your voice and brand. It's what agents use when PulseGuard isn't enough and they're ready to grow.

SOLVES:

Agents spending $300–800/month on disconnected tools that don't work together.

IDEAL FOR:

Growing agents ready to systemize lead generation and email marketing

60	4	$149
Social posts/mo	Email campaigns	Retail price

WHAT YOU GET

- **5 AI landing pages** — more products, more campaigns, more coverage
- **60 social posts per month** — double the output, zero extra work
- **4 email campaigns per month** — nurture leads on autopilot
- **2 AI blog articles per month** — build SEO authority in your niche
- **Conversion tracking** — know exactly which campaigns bring clients

PulseDrive — AI Marketing Platform

PROFESSIONAL TIER

$219 / mo member

Your cloned voice. Your podcast. Your video content — all on autopilot.

PulseDrive is the professional-tier content machine. It adds podcast production with your AI-cloned voice, short-form video clips, and 100+ social posts monthly — turning you into the most prolific content creator in your market without recording anything.

SOLVES:

Top agents dominate with podcasts and video. PulseDrive closes that gap completely.

IDEAL FOR:

Full-time agents who want to out-brand every competitor in their market

100	4	$299
Social posts/mo	Podcast eps/mo	Retail price

WHAT YOU GET

- **100 social posts per month** — dominate every platform
- **8 email campaigns per month** — advanced nurture sequences
- **4 podcast episodes per month with your AI-cloned voice**
- **Video production + short-form clips** — Reels, Shorts, TikTok-ready

PulseCommand — AI Marketing Platform

ELITE TIER

$349 / mo member

Unlimited. Omnichannel. Elite. The full content empire, white-glove delivered.

PulseCommand is the elite tier — unlimited landing pages, AI avatar videos via HeyGen, your podcast on every major platform, a custom branded domain, YouTube channel management, and white-glove onboarding. This is what agency builders and top producers run.

SOLVES:

Elite agents need a Fortune 500 marketing operation — PulseCommand delivers it for $349/mo.

IDEAL FOR:

Agency builders, team leaders, and top producers scaling a brand

150+	∞	$499

- **White-glove onboarding** — a real team sets everything up for you

SmartLook XL — Smart Office Dashboard

SMART OFFICE

$99 / mo member

See every dollar in your business. Real-time. All carriers. One screen.

SmartLock is the Smart Office Dashboard — a business intelligence layer that sits on top of your entire insurance operation. Real-time KPIs, commission tracking across all carriers, revenue forecasting, and team leaderboards. Built for principals who need visibility across their entire office.

SOLVES:

Most agents have no idea how their business is actually performing across all carriers and team members.

IDEAL FOR:

Agency principals, team leaders, and any agent running a growing book of business
